Great. I've ask our Administrative Officer, Susan Bright, to find some time today or tomorrow for a call. Be on the lookout for a meeting invitation from her.

Ardra Morgan
Deputy Director
Systems Exposure Division
National Exposure Research Laboratory
Office of Research and Development
US Environmental Protection Agency
(919) 541-3658

Ardra, Yehuda and I agree. Let's set up call as soon as possible. We are setting up 4 large machines in Beaumont and we are here with 18 techs and should be providing water tomorrow. We are available for a call at anytime.
